OC CATHOLIC SCHOOL DISTANCE LEARNING PROGRAM VS. OTHER SCHOOLS

 **SMALL SCHOOLS** provide a more individualized experience in which families and students have a relationship with the school and the teacher.

LESS STUDENTS
Student/teacher ratio is low providing quicker responses and allows teachers to manage and instruct more effectively.

PARTNERSHIP WITH PARENTS
 Students, parents, & teachers work together to offer an academically excellent, faith-filled, and personal program for each student.

HOME AWAY FROM HOME

In these unstable times, being a part of a Catholic school can help children find an emotional and social support community.

 **WELL-TRAINED TEACHERS**
Extensive professional development for teachers prior to pandemic.

 **NOT A SELF-STUDY PROGRAM**
EMPHASIS ON DIRECT LEARNING/INSTRUCTION INSTEAD OF FULL-DAY SCHEDULES.

DIRECT ACCESS TO TEACHERS
