

Join the Faculty of St. Juliana Falconieri School

Are you a dedicated educator looking for more than just a classroom? At St. Juliana Falconieri School, we don't just teach subjects—we empower the next generation of Catholic citizens. Inspired by the service-centered life of St. Juliana, our mission is to develop the whole child: spiritually, academically, and physically.

We are currently accepting applications for a part-time junior high math teacher to join our team, and become part of a community committed to excellence. We are seeking professionals who are as passionate about their own growth as they are about their students' success. To maintain our high standard of education, candidates must meet the following criteria:

- Possess a valid teaching credential or be in the process of completing one.
- Have a proven track record of pursuing academic rigor and high-quality instructional practices.
- Have a desire to work closely with teammates and parents, who we recognize as the primary educators of their children.
- Adhere to the highest professional standards and model our Core Values through words and actions.

As a teacher here, you are more than an instructor—you are a mentor and a steward of the Church. You will help students apply Catholic doctrine to their daily lives while developing the critical thinking skills necessary for a modern, global community.

If you have a passion for academic excellence, a heart for service, and a commitment to individual growth, we want to hear from you. Part-time, credentialed teacher salaries begin at \$27,214 and are commensurate with education and experience. Please send a cover letter, resume and references to Principal Terri Puccini, Ed.D. at terri.puccini@stjulianaschool.org.

Apply Today to Join Our Mission.

Transform lives. Strengthen faith. Teach at St. Juliana Falconieri.
